HERITAGE

17-25 April 2011 WEEK

SWIMMING IN HISTORY

The theme for World Heritage Day is water and we celebrate the 1927 opening of the Municipal Pool (now Riverside Pool).

In the past swim carnivals and business house relays were regular events so on Monday 18th April appropriately attired teams and a mix of veterans and newcomers will battle it out for a special heritage trophy. The Mayor will be on hand to welcome everyone and guest Amaka Gessler, (silver and bronze medallist 2010 Commonwealth Games) will present the swimming cup.

Relive your memories – who are the people in the old photos in the historic display at the pool and Elma Tuner Library? Come dressed in vintage attire between 10am-2pm and stay for a free swim and fun activities for the kids. Cheer for your favourite team in the Business House Relay.

Look forward to seeing you there.
