

SwimMagic at Level 2

You might notice a few changes in the way we do things. Please know this has been done with everyone's health and safety at the forefront of our minds.

Please see below guidelines that have been put in place to keep you, your children and our staff safe:

Mask Wearing

- Mask wearing is mandatory for entering and exiting our facility and in all dry areas. It is not mandatory to wear a mask on poolside however feel free to if you wish.

Contact Tracing

- Due to government directives, please scan the QR Code posters.

Personal Responsibility

- Please stay at home if you are feeling unwell, especially if you have a cold or similar
- Please use the hand disinfectant dispensers regularly throughout your time in the Facility including on entry and exit.

2 Metres Physical Distancing

- Physical distancing will be implemented where possible during our lessons. We ask that where possible only 1 parent/caregiver brings their child to their lesson
- Throughout your visit to the Facility please maintain a distance of at least 2 metres from all other people. There will be marked spaces where you can sit or stand.

Use of Changing Rooms and Toilets/Hygiene

- The changing rooms and toilets will be open however we encourage all swimmers to arrive in their swimwear and leave in their swimwear where possible to reduce the number of people using the changing rooms at one time. The only exception to this will be for babies however please be aware we have limited amount of people allowed in the changing rooms at any time to comply with physical distancing

- All equipment will be disinfected following each class.

Staff Responsibilities

- Staff will be constantly circulating to ensure these rules are adhered to
- Staff will also be available to assist with questions and help if needed.

We thank you for your patience and support during this time. Please check our Facebook page and website for updated information.
