

Swim Instructor – Part Time

About

The SwimMagic Swim School based at Whangarei Aquatic Centre has opportunities for swim instructors to join the swim school team.

The Role

Lessons are conducted in the mornings, evenings as well as the weekends so you must be flexible with the hours you are available to work. This particular role will be 10 hours per week and be mainly working after school hours and you will be required to work weekends. However, there is a potential to increase hours throughout the year (day shifts).

Skills

Our ideal candidate is someone who is flexible, mature, and reliable and has a positive enthusiastic attitude. You must have a passion for swimming and be comfortable working with preschoolers, babies and children with various levels of ability, both in and out of the water. Experience or relevant qualifications would be advantageous. Please note a First Aid qualification is preferred but not essential.

You must be able to work well within a team in a professional manner and within a structured system. You will be dependable, honest, organised and have excellent communication skills.

Benefits

Competitive rates of pay, ongoing training, development and qualification as well as use of facilities available.

How to apply

If you have the skills for these positions and would like to join our amazing team please apply with your current CV with covering letter via this listing.
